The **Service Action Learning Team (S.A.L.T.)** is a locally organized immersion experience for high school youth. Young people will explore many of the important social justice issues that confront our community. Each day is filled with hands-on service opportunities. The goal of SALT is to understand how to put faith in action.

Here is what some past participants had to say about their SALT experience:

Helping those less fortunate helps us emulate what Jesus said we should do.

I am very fortunate and I must give back to others
 It is our responsibility to help the poor.
 We must open our eyes to the world around us.
In taking the time to understand someone else we can change the world one person at a time.
 I learned so much about myself, my faith and others.

*For Youth
 15-18 years old
 A FIVE DAY Experience*

Here's some of what we'll do..

- *live in community by eating, sleeping, learning, playing, praying and serving together
